

Hello there

Thanks very much for your request for an information pack regarding the Static Line Parachute Jump Course.

The information below should answer all your questions, however if you still have any queries, please do not hesitate to contact us. We are professional skydivers and instructors and have a good knowledge of all the listed centres and courses provided. You can phone us on 01869 278706 Monday – Friday from 9am – 6pm.

How do you book your Static Line Parachute Jump?

- Read the information enclosed within this pack. If you are not sure whether this is the correct course for you, call us and we will be able to talk you through what is involved and help you make the right decision.
- Choose the centre you wish to go to – see list of locations & prices.
- Complete the attached course booking form and either send (marking the envelope **Booking Form**) or fax to us using the details above. Alternatively, you can book on line via the website or call us and book over the phone.
- If you are hoping to jump within the next 4 weeks or if your group is greater than 4 people, call us to place your booking by phone.
- We will send you confirmation of your booking as well as directions and any forms that may need completing prior to the day relevant to your chosen centre.

Static Line Parachute Jump

If making a parachute jump is on your to do list and you want the added satisfaction of doing it on your own, then after completing the RAPS (Ram Air Parachute System) course, you can be jumping solo from 3,500 feet using an advanced modern rectangular parachute. Your parachute is opened automatically by the static line, but then it is up to you land it! No previous experience is necessary and it takes just 6 hours of training to prepare you for your first solo parachute jump!

What to expect

- Training takes place on the Saturday and takes a minimum of 6 hours covering the following:
 - Orientation and Documentation
 - Familiarisation and Fitting of Equipment
 - After Landing Procedures
 - Stability and Exits
 - Aircraft Drill and Emergencies
 - Canopy Control and Flight Drills
 - Malfunctions and Reserve Drills
 - Landings including Parachute Landing Fall (PLF)
 - Abnormal Landings
 - Hanging Harness Drills
 - Written Examination

- Depending on the time of the year and weather permitting, you will either make your jump on the same day, or on the Sunday after some revision training.
- You will board the plane with the rest of your fellow class mates under the supervision of your instructor ready for the climb to altitude of between 3,200 – 3,500 feet.
- When it is safe to do so, you will be despatched from the aircraft by your instructor and your parachute will open automatically by the static line.
- It's then up to you to navigate your canopy back to the landing area with the help of another instructor on the ground talking to you giving you some helpful pointers on your radio.
- The canopy ride is about 3 minutes, so plenty of time for you to take in the birds eye views as well as enjoying flying your canopy.
- Once safely on the ground, you will receive a de-brief from your instructor before being presented your certificate for completing the jump.

Points to remember

- This is a 1-2 day course depending on weather conditions and time of year.
- A static line parachute jump whilst slightly more demanding than a tandem skydive, it does give you an immense sense of personal achievement.
- Your experience doesn't have to stop there. You can make further static line jumps for as little as £35.
- You could be experiencing your first solo free fall after completing just 5 static line jumps and be well on your way to becoming a qualified skydiver!
- No previous skydiving experience is required.
- The upper age limit is 54 and you can start as young as 16 years old!
- Wear warm, loose, comfortable clothes and trainers with no hooks.
- There is a maximum weight limit which may vary from centre to centre. Please check before choosing the centre where you wish to jump.

Course Prices: (correct as of 10/04/20)

All prices are correct at the time of print and are subject to change at any time.

Most centres can open mid-week by prior arrangement. Please call for more details.

Age Restrictions

Type of jump	Min Age	Max Age	Fitness requirements
Tandem	16 yrs Parent / guardian consent needed if under 18 yrs	No upper age limit	Fitness level less important. The relevant BS Medical Form (115a or 115b) must be completed.
Static Line / AFF	16 yrs Parent / guardian consent needed if under 18 yrs	54 years unless previous parachuting experience. Centre discretion	Reasonable level of fitness will increase enjoyment of course. The relevant BS Medical Form (115a or 115b) must be completed.

BS Medical & Consent Forms

When you arrive for your jump, all skydivers will be required to complete the BS Student Parachutist Declaration of Fitness form appropriate to the course they are attending. For Static Line and AFF jumpers, participants should read the BS Form 115C (Self-Declaration Form) as soon as possible. If a jumper can sign this, and therefore self-declare themselves as fit to jump, they should just bring this form along on the day of the skydive. If having read all the questions, the jumper is unable to declare themselves as being fit to jump and therefore unable to sign this form, they will then need to take BS Medical Form 115D (Doctors Certificate) to their doctor to be signed and bring this form along with them on the day of their course. It is suggested that you read BS Student Parachutist Declaration of Fitness form appropriate to the course you wish to attend before you complete the booking form. The forms can be downloaded from the Information Downloads page on the website www.ukskydivingadventures.com. We will ensure that the correct forms are sent to you prior to the day so that you can make the necessary arrangements to get the form signed by your doctor. It is important that you keep these forms and present them in

person on the day. Do not post them to the centre for the risk of them being lost. If you don't have a signed form by the relevant person, you will not be able to skydive.

You will also be required to sign a BS Consent form. If the skydiver is under the age of 18 years, both forms will need to be signed by their parent or guardian.

Surprise someone with one of our gift vouchers!

We offer personalised gift vouchers for all skydiving experiences i.e. Tandem Skydive, Static Line Jump and Accelerated Free Fall (AFF Level 1 only). If you are not sure which course to choose, feel free to call us for advice. If you wish to keep the gift a surprise, you can choose the preferred dates yourself, however be aware of the restrictions in place i.e. age, health and weight including the possible need for getting the BS medical form signed by the jumper's doctor as explained above.

Sponsored Charity Jumps

Why not raise money for charity whilst having fun at the same time! It is now very popular for people to do something quite out of the ordinary such as jumping from a perfectly good aeroplane to raise money for a worthwhile cause. Skydiving is considered an extreme sport, not something for the faint hearted and so worthy of you asking your friends and family to sponsor you! It is common practice for fundraisers to use some of the sponsorship money raised to pay a portion or the total cost of their jump if they have raised the minimum level of sponsorship. The level of sponsorship required will vary for each centre depending on the cost of the course however by raising at least double the price of your jump, you will satisfy the charity's expectations. Call us on 01869 278706 to find out more or download a Charity Information Pack at www.ukskydivingadventures.com

Group Bookings & Corporate Days

If you are organising a group whether it be as part of a charity fundraising event or team building event or maybe a corporate day, feel free to contact us to discuss your requirements in more detail. We offer discounts for groups of 10 people or more. The group organiser will be the point of contact for all correspondence and will also be responsible for signing the terms and conditions as well as making the group individuals aware of the terms and conditions as well as the age, medical and weight restrictions.

Frequently asked questions

Can I jump with a disability?

Disabilities do not need to stop you from skydiving. Call us to discuss and we will be able to best advise you.

What happens if the weather is bad?

Skydiving like most aviation sports is weather dependent. In accordance with BS rules and regulations, our centres must operate within strict safety limits with regards to cloud cover and wind speeds. If the weather is unsuitable you will be given the opportunity to re-schedule your booking for another time at your convenience.

How long will I have to wait to jump on the day? Can you give me an exact time slot?

We understand that it is helpful to know when you are likely to jump especially if you have supporters coming to see you jump. Some centres will be able to give you approximate time slots, however weather conditions can affect these times. If you are doing a Tandem, plan for it to be an all day activity. All centres have cafe facilities and you can check the locations page on the website for information on local amenities to keep your supporters entertained should there be a wait. If you are doing a Static Line or AFF course, depending on the weather and time of year, you may get the opportunity to jump the same day. However again you should plan for this to be a 2 day activity.

What height will I jump from?

Static line jumpers will exit the plane from 3,200 – 3,500 feet. Tandem and AFF jumpers exit at a minimum of 10,000 feet and at some centres you will fly as high as 13,000 – 15,000 feet, depending on the cloud base and local air traffic control restrictions.

Do I need Insurance?

The cost of your course will automatically cover you for British Skydiving's 3rd party insurance up to £5,000,000. For a summary of the policy including details of the personal accident benefits, please refer to the latest [BS Insurance Summary document](#).

How safe is skydiving?

Your safety is our top priority. We only operate from centres which are affiliated to and work in accordance with BS rules and regulations. All instructors are BS qualified, extremely experienced and are current in accordance with the annual renewal policy. The equipment is of high quality and maintained to meticulous standards. Training is to the highest standards and in the case of Static Line and AFF which involve solo descents, you must pass a written test before being allowed to jump. The plane is operated in accordance with CAA. We only jump when the weather conditions are suitable and safe.

Equipment

Equipment used is regularly maintained in accordance with BS regulations and is checked prior to every jump. Each course requires the use of a dual parachute system consisting of a main and reserve parachute. Safety back up systems include an automatic reserve opening device which will operate in extreme circumstances. If you are a Static Line or AFF student you will be given a back up radio enabling an instructor on the ground to assist you during your canopy descent to the ground.

Can I jump if I wear contact lenses or glasses?

We will issue you with goggles that comfortably fit over glasses and help to keep contact lenses in place.

Can I breathe in free fall?

You may feel like you gasp for air on exiting the aircraft especially if it is particularly cold. However you will be able to breathe quite normally during your descent to the point you won't even think about it!

What clothes should I wear?

Ensure that your clothes are comfortable and loose fitting. If it is a cold day, wrap up warm. In the summer you can wear just shorts and t-shirt. You will be given a jumpsuit to fit over your clothes. Comfortable shoes preferably trainers are advisable. Open toe or shoes with hooks are not allowed.

Will I be able to jump with my friend?

If you are part of a group and have a preference as to whom you share your experience with on the plane, make us aware of this at the time of your booking as well as remind the centre on your arrival. The centre will do their best to make this happen, however please appreciate that sometimes it is out of their control. Weight limits, the number of people requesting video plus the plane re-fuel schedule can sometimes dictate the manifest system.

Can I get my skydive videoed?

Make us aware that you would like your skydive videoed when booking. You may also be able to decide on the day. The cost of video including camera stills varies from centre to centre, and is payable direct to the centre on the day. Please note that the video option is not available for Static Line Parachute Jump Course bookings.

Can I jump this weekend?

If you can't wait to experience the thrill of skydiving, call us and we will be able to advise you if there are any places available at your chosen centre.

Booking Form

To book your skydive,

- Complete booking form and sign the terms & conditions.
- Either post (ensuring envelope is marked “**Booking Form**”) or fax to us. Alternatively, book on line or phone us to place your order.
- You will then receive a confirmation, the relevant BS medical and consent forms, plus directions to your chosen centre. If your preferred 2 dates are not available, we will contact you with alternative dates before sending you a confirmation.
- A non-refundable deposit is required at the time of booking which will vary depending on centre and course.
- If purchasing a gift voucher or gift pack, you just pay a standard deposit, £50 for a Tandem or Static Line, and £75 for Accelerated Free Fall Level 1 (with the exception of Cambridge which is £100 for AFF) and then the remaining balance can be paid prior to the jump. Details for paying the remaining balance will be detailed in your confirmation documents.

Contact Details

These details are for the person booking the activity, not necessarily of the person taking part in the skydive. All correspondence will be sent to the address you give below.

Occasionally we may wish to email you details of special offers or information on other activities we provide. Please confirm whether you are happy to receive this information by ticking the OPT IN box.

Charity Jumpers only: We will as part of the booking process, share your name, jump location, jump date (if specified) and contact preference with your chosen charity to enable them to assist you with your fundraising activities. Please tick your preferred method of contact: Email: Phone: Post: SMS:

Please tick the OPT IN box if you would also like to hear more from your chosen charity via your stated contact preference about the work they do as well as about other fundraising events and initiatives in the future.

Terms and Conditions

Below is a list of our terms and conditions. If you made your booking on the phone or on line, you will have confirmed that you have read and are accepting our terms and conditions and understand our [Privacy Policy](#). All bookings made by post will have required you to tick the terms and conditions box confirming that you have read and accepted them. If you are making a booking on behalf of an individual or a group, it is your responsibility to make everyone aware of the terms and conditions and the privacy policy and their implications.

- UK Skydiving Adventures Ltd act as an agent on your behalf and not for any of the centres that we recommend. We only use centres which are affiliated to and work in accordance with British Skydiving's rules and regulations. The responsibility for all parachuting and skydiving activities rests solely with the parachute centre and any queries or complaints with regards to these should be addressed to the centre concerned.
- UK Skydiving Adventures will not store financial details, nor will they sell, distribute or give away your personal details to any 3rd party company, organisation or individual, other than for the purpose of processing your skydiving booking. Full details on how UK Skydiving Adventures manage your personal data can be found in the [Privacy Policy](#).
- UK Skydiving Adventures Ltd will do their best secure you a place on your chosen course at your chosen centre on your preferred date. If, however the date is unavailable, we will provide you with an alternative date or suggest the next nearest venue offering the same course.
- UK Skydiving Adventures will send your contact details and jump specific information to the skydiving centre you selected during the booking process and to our feedback provider Feefo, solely for the purpose of securing your place for your chosen skydiving experience and for asking you for your feedback regarding your skydive booking.
- You must comply with the parachute centre's rules at all times.
- In accordance with British Skydiving's rules and regulations, all centres must operate within strict safety limits with regards to cloud cover and wind speeds. The final decision as to whether it is deemed suitable to jump rests with the centre's chief instructor.
- Maximum weights for each of the courses will vary from centre to centre. You must also be within a correct height – weight ratio and this will be taken into account at the time of booking. If you supply the incorrect height and weight at the time of booking and your instructor considers it to be unsafe for you to jump, you risk forfeiting your skydive plus any monies already paid.
- The minimum age for making a skydive is 16 years, and your parent / guardian must have signed the consent form if under 18 years. To make a solo descent i.e. Static Line or AFF the maximum age for performing your first parachute jump / skydive is 54 years old, although some centres may adopt a lower maximum age. Please ensure you check the information for your chosen centre on our website before booking.
- Tandem jumpers will be required to present a signed BS Medical Form prior to jumping, i.e. Form 115A if you satisfy the requirements for self-declaration, or Form 115B if you need doctor's approval. We strongly suggest you read these forms before booking your course as deposits will be non-refundable if you require and are unable to get doctors approval to make a skydive.
- Solo Jumpers (Static Line and AFF) will be required to present a signed BS Self Declaration of Fitness Form or a BS Doctors Certificate prior to jumping, i.e. Form 115C if you satisfy the requirements for self-declaration, or Form 115D if you need doctor's approval. We strongly suggest you read these forms before booking your course as deposits will be non-refundable if you require and are unable to get doctors approval to make a skydive.
- Your instructor will be responsible for the final decision as to whether you are able to make the jump.
- Alcohol must not be consumed on the day of your jump. If you are considered to be intoxicated from the previous evening, you will be denied your jump. In both instances you risk forfeiting any monies paid.
- For bookings where a date is confirmed with the centre, and a deposit is paid with the remaining balance of your parachute jump / skydive payable on the day of the jump / skydive (or prior to the day in the case of gift vouchers), your jump is non-transferrable and non-refundable. Exceptions will be at the discretion of UK Skydiving Adventures Ltd.
- For gift voucher bookings and other bookings where a date has not yet been stated, you have a right to cancel your booking within 14 days of you making the booking. If you wish to cancel your booking, you must inform us by email or by completing an enquiry form stating your order reference number if issued and your wish to cancel. You are advised to retain a copy of your cancellation notification.
- Refunds will be issued within 14 days of the date of your cancellation, with payments being made using the same payment method you used at the time of booking.
- Gift vouchers are valid for 12 months. They can be transferred to another person during this time at no extra cost as long as they meet the correct criteria (age, weight, height, medical conditions).

- Gift vouchers can be extended for a further 6 months by paying a £30 admin fee. The extension must be processed within 1 calendar month of the voucher expiring.
- For other bookings where the date has been left open, the deposit is valid for 12 months from the date of booking.
- If you need to change your booking once it has been confirmed, you must give at least 7 days' notice and a £30 admin fee will be charged to make the change. Less than 7 days' notice will result in a £50 admin fee being charged to make the change. Failure to show up on the day may result in you forfeiting your parachute jump / skydive as well as having to pay the balance owed. In this case a £50 admin fee will be charged to re-arrange your jump.
- We can't accept any responsibility if your chosen centre has to postpone their operation or change their opening days. We will either arrange another suitable date or transfer you to an alternative centre at no extra charge.
- Please be aware that there is no guarantee that you will jump on your chosen date. If bad weather or circumstances beyond the centre's control prevents you from making your parachute jump / skydive on your chosen date, you will be asked to re-schedule your jump with the centre for another time convenient to you at no further cost.
- If you fail to arrive with all relevant documentation i.e. medical form relevant to chosen course (signed by doctor if required), consent form (signed by parent if under 18 years), you may forfeit your jump and be required to pay the remaining balance. A £50 admin fee will be charged to re-arrange your jump for a later date.
- Refunds outside of the 14-day cancellation policy described above will only be considered in mitigating circumstances at the discretion of UK Skydiving Adventures Ltd.
- Charity jumps must be done with the prior permission and knowledge of your chosen charity.
- If you are participating in a charity skydive, UK Skydiving Adventures will inform your chosen charity to enable them to help you with your fundraising efforts as well as to prevent fraud and financial crime. UK Skydiving Adventures will share a participant's data with their chosen charity on the basis of legitimate interests and/or a contract with the participant for the purpose of the chosen charity contacting them about their fundraising. UK Skydiving Adventures will only share a participant's data with their chosen charity for the purposes of direct marketing with explicit consent i.e. the participant will be given the option of ticking an OPT IN box if they would also like to hear more from their chosen charity via their stated contact preference about other fundraising events and marketing initiatives in the future. The participant can change their mind at any time by contacting their chosen charity directly. You can find your chosen charity's privacy statement on their website. Full details on how UK Skydiving Adventures manage your personal data can be found in the [Privacy Policy](#).
- UK Skydiving Adventures Ltd cannot accept any responsibility for validating the legitimacy of any charity you wish to raise money for, unless it is one of the charities listed on our website.
- You are solely responsible for collecting money for your charity in an honest manner and should inform your sponsors if a proportion of the money raised will be used to cover the cost of the jump.
- Charity jumpers who choose Option A, may use up to 50% of the sponsorship money raised to fund part or all of the skydive costs, making up any jump cost shortfall from their own pocket. This ensures that a minimum of 50% of your sponsorship money is sent to the charity.
- Charity jumpers may only choose option A if their chosen charity allows a portion of the money raised to fund the skydive. If the jumper's chosen charity specifies Option B only, the jumper must fund the skydive cost from their own pocket.
- On payment of the total fee for your course, you are covered by the British Skydiving's 3rd Party Liability Insurance Policy up to £5 million. For a summary of the policy including details of the personal accident benefits, please refer to the latest [BS Insurance Summary document](#).
- You will agree to carry out the parachute jump / skydive and all associated training only strictly in accordance to the instruction provided to you by the BS qualified instructors at the centre which have been appointed to you by UK Skydiving Adventures Ltd.
- Parachuting / skydiving is an extreme sport and participation in such a sport can involve a risk of injury or death regardless of the standard of training, the supervision and quality of equipment used. You voluntarily accept all the risks inherent in the sport and agree for yourself and your personal representatives to indemnify and hold harmless UK Skydiving Adventures Ltd and any charities working in partnership with UK Skydiving Adventures Ltd against any claim or claims whether from yourself or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).
- Parachuting / skydiving is classed as an extreme sport. UK Skydiving Adventures Ltd cannot take any responsibility for any personal injury or losses incurred during the participation of the sport. You the participant will accept all responsibility for any personal injury or loss.

I the undersigned have read and understood the Terms and Conditions and [Privacy Policy](#) as listed above and have also made anyone in my group aware of the terms and conditions and the privacy policy and their implications.
